

## THE INTEGRITY OFFICER

### INFORMATION

As announced over these last few months, I will be stepping down from my position as MFA Integrity Officer.

I am presently assisting my Association in identifying a successor, then will be co-operating in the restructuring process of the Integrity office.

Until such time that the new person is appointed and my subsequent official resignation, I am still the full time Integrity Officer and will operate in the same manner as I have done in these past eight years.

I am always at the service of all football stakeholders at any time and will also remain a point of reference when I am no longer the Integrity Officer.

My contact details - Tel. 9991 1398, [franz.tabone@mfa.com.mt](mailto:franz.tabone@mfa.com.mt), or on any other social media platform.

Regards

**Franz Tabone**
